

PAIN RELIEF
CENTERS
Return to wellness.

Dear Patient:

As you may be aware, the community is seeing an increased prevalence of MRSA (Methicillin resistant Staphylococcus-aureus) and other contagious infections in healthcare settings. For this reason, if you have been diagnosed with such an infection, you must contact our office to discuss this with our staff BEFORE your scheduled appointment.

If you have recently been diagnosed or treated for MRSA or a similar infection, please notify our office at 727-518-8660 and we will assist you to schedule your appointment.

Please sign below and return this form as an indication of your understanding of this information.

Thank you for your cooperation,
